Higher Expectations, Raising Aspirations

Our Ref: CTAKLOlet Results 2020

6th July 2020

Dear parent/carer

With only 2 weeks of the summer term left, I hope that this letter finds you and your family well. Although lockdown restrictions have now slightly eased, there is the need to remain alert and adhere to the social distancing guidance to keep us all safe and as such, our results days this year will look very different for all our examination students awaiting their results.

The dates remain the same i.e. Thursday, 13th August, for all A Level results and Thursday, 20th August for all GCSE results, however, the strict social distancing measures currently in place mean that disappointingly, we are unable to invite the cohort into school to pick up their results, and the process for receiving their grades will be available electronically.

This year, students will be able to access their results from 8.00am on the day using GO 4 Schools; students will need to create their own account. Instructions on how to do this have been emailed directly to your child's school Gmail account. It is really important that they do this before we break for the summer term, so that we are able to offer support, in case of any issues in setting this up.

If you have any questions or require any additional information, please do not hesitate to contact me via results2020@cchs.school.

With kind regards

Chris Taylor
Head of School
